I think it's the [redacted] water. 😊

Seriously, it's a brand new day with Biden. Everyone wants to roll up their sleeves. It's so refreshing!

We had a second meeting with the state on Monday and finished our edits/comments. Devon needs to have Brad review it – I think just him, and I'm not sending it around again here since you all reviewed it a couple months ago and the changes we made since then are just tweaks -- and then it's going to CRW. I'm guessing a couple weeks until it does. Is it possible to get three B's and a C this year??

Cecil was asking if we have progress on the Hbg CD? did you get DOJ edits?
